Students: "Throughout the past week, you've heard an announcement about HEAT, the new community tennis association in Hartford. Even if you've never played tennis, know that there will be plenty of opportunities for you to try it out in a stress-free atmosphere. From just "drop-in-and play" social events, to competitive tournaments, to cardio tennis (where we just run around and hit balls to some lively music for a good workout), there's something for both adults and children. You also have a special invitation from Mr. Wagner as he runs "Family and Friends Fridays" on Friday afternoons this summer at the Hartford High School courts.; The best part is most of the events this summer are FREE. Tennis is also great way to meet new friends. Look for an email today with an attachment with information about our "kickoff event" on June 12 at the HUHS tennis courts.... and remember to check out our website at hartfordheat.com. We hope to see you on the court!"
