

**SCHOOL DISTRICT OF HARTFORD JOINT NO. 1**  
**ANNUAL NOTICE OF SPECIAL EDUCATION REFERRAL AND EVALUATION**  
**PROCEDURES**  
July 2023

Upon request, the School District of Hartford Joint No. 1 is required to evaluate a child for eligibility for special education services. A request for evaluation is known as a referral. When the district receives a referral, the district will appoint an Individualized Education Program (IEP) team to determine if the child has a disability, and if the child needs special education services. The district locates, identifies, and evaluates all children with disabilities enrolled by their parents in private (including religious) schools, elementary schools and secondary schools located in the school district.

A physician, nurse, psychologist, social worker, or administrator of a social agency who reasonably believes a child brought to him or her for services is a child with a disability has a legal duty to refer the child, including a homeless child, to the school district in which the child resides. Before referring the child, the person making the referral must inform the child's parent of the referral.

Others, including parents, who reasonably believe a child is a child with a disability, may also refer the child, including a homeless child, to the school district in which the child resides.

Referrals must be in writing and include the reason why the person believes the child is a child with a disability. To make a referral, contact Alex Kenealy, Director of Special Education, School District of Hartford Joint No. 1, at 262-673-8042 ext. 4112, or by writing her at 402 W Sumner St. Hartford, WI 53027.
