STUDENT REGISTRATION

June 2020

Dear Parents/Guardians:

As this school year is approaching its conclusion, preparations for the 2020-2021 school year have begun. The District continues to use online registration for students. Important information and dates are included below.

The online registration period for the 2020-2021 school year will be **July 5 – July 26** for all students. Whether your child is new to the District or a returning student, a parent/guardian must complete the online registration through Family Access. Forms and fees are included in the online registration. Family Access is available on the District's website at <https://www.hjt1.org> under the "Parents" tab. Please contact your child's school directly with questions regarding Family Access.

There will also be computers available during the registration period at District Office for families needing assistance or access to a computer.

Families do not need to do anything with registration prior to the online registration period. An email reminder will be sent to parents/guardians as this period approaches.
