## 2014-15 Student Laptop Insurance Policy

The School District of Hartford Joint #1 is offering an optional insurance plan to cover the student laptops that are being issued through the District's 1:1 Initiative or Virtual program. Parents who purchase this insurance will have their students' laptop repaired at no additional cost should damage occur to the laptop during the student's use. This insurance does not cover intentional damage, but will cover damage beyond normal wear and tear. This also does not cover the loss or theft of the device.

**The cost is \$50.00 per year.** Parents who elect to purchase this insurance must do so prior the laptop being issued. Parents should remit payment and this letter to the Central Middle School Office. Questions should be directed to the District Business Office at 262-673-9033.

I understand that I am purchasing insurance for my student to cover damage beyond normal wear and tear. I understand that if my student intentionally damages his/her computer, this policy will not cover replacement. Damaged laptops should be immediately reported to the Central Middle School Technology Department office. I understand that the cost of the insurance is \$50.00 for the year, and I have enclosed payment with this letter.
