School Closure Through the End of the School Year

April 16, 2020

Dear Hartford Jt. 1 Families,

As many of you have expected, the Governor has closed schools for the remainder of this school year. The announcement means our teachers will continue to support your children through distance and virtual learning through June 5, 2020. If you are having any concerns, please reach out to your child's teacher or building principal. They are here to support you.

TECHNOLOGY & COMPUTERS

Technology and computer support for parents and students is available by email to covid-tech-help@hjt1.org or calling 262-670-1678. This support includes replacement computers, additional computer needs and general technology support.

MEALS

Grab and go breakfast and lunches will also continue to be available for pick up through May 29, 2020. More details about the meal program and additional resources are on the District COVID-19 webpage at [Extended School Closure Information \(COVID-19\)](#).

SUMMER SCHOOL

At this time, we are not anticipating having summer school on campus. However, the District is exploring the option of having online courses. We will keep you posted.

Please continue to monitor your email and the Hartford Jt. 1 website for updates and further information.

Yours in education,

Mark Smits, Ph.D.
District Administrator
