Dear Parents & Guardians.

During these unpredictable times, I am sure there are and will be many school-related questions in how staff will continue to instruct your children. Monday morning, Hartford Jt. 1 teachers and staff are meeting to finalize plans for continued delivery of instruction. They will then reach out to you by phone, email or text, no later than Tuesday. At this time they will communicate with you to determine the best way to meet your child's educational needs.

Because of the many questions, I ask that you visit the District website at www.hjt1.org for more information. The webpage tab entitled "COVID-19" will continuously be updated. Finally, we ask that you are patient with us as we navigate through this difficult time. As a community, we will work through this as a school family. We are thinking about you and the health and safety of your children.

Yours in education,

Mark Smits, Ph.D.
District Administrator
