

How to Get an Instrument

White House
of Music

Rent from White House of Music

CMS is partnered with White House of Music. We have a sales rep who visits weekly to have instruments delivered right to school. You will never have to make a trip to the store for repairs or supply pick up.

You may also independently find another rental source in the area.

July Instrument Sale
Open to District Families
July 10th 1:00-5:00 p.m.
July 16th 3:00-6:00 p.m.

Purchase a Used Instrument

Find a gently used instrument to purchase from a second hand store. (Goodwill, FB Marketplace, Ebay, etc.) Your directors are available every step of the way to help guide you in the right direction in knowing what to look for.

Apply for White House of Music Foundation

White House of Music is dedicated to supporting music in every child's life regardless of income, location, or any limitations that may arise. Families can apply to the White House of Music's Foundation at no cost using this [application](#).

Apply for the HJT1 Scholarship

This is a second scholarship option for families who do not receive help from the White House Foundation. The school has a few instruments available to rent at a lesser "one-time" rental fee.

Questions? Feel free to reach out to Juliana Geraghty (geraghty@hjt1.org) or Katie Malterer (malterer@hjt1.org).
