JULY 10, 2025

## CENTRAL

The Central Middle School office has been completely gutted and the new entry has been added (back left of photo)!

## LINCOLN

What you see is the space where the new lift will go at Lincoln – this is next to the steps going up to the staff lounge area.

## ROSSMAN

The upstairs of Rossman. The combustible walls have been removed in preparation for the new walls.

*Watch our progress throughout the summer!*

THANK YOU, VOTERS!
