

# CONSTRUCTION

HARTFORD JT 1

JULY 25, 2025

## CENTRAL

There has been plumbing and floor work done in the maintenance office in preparation for the new family bathroom (where the concession stand was formerly located.)

## LINCOLN

The foundation for the new kitchen/general maintenance storage and receiving area is being prepared for concrete.

## ROSSMAN

Workers are moving along with the concrete footings for the new canopy in the front of the building.

*Watch our progress throughout the summer!*

THANK YOU, VOTERS!
