CENTRAL

Check out our new branding at the front office. Not only was the office reconfigured to include a secure entrance, we also branded the space so Central Middle School Wildcat pride is immediately visible upon entry! The new layout also helps us assist students and visitors more easily!

LINCOLN

Rooftop HVAC unit getting set on Lincoln's new addition!

Also this week: Glass was installed in the 4th and 5th grade windows!

ROSSMAN

Rossman's Dedication & Ribbon Cutting on September 25, 2025, was a perfect addition to our first ever, districtwide Family Night!

Watch our progress!

THANK YOU, VOTERS!
