Dear Hartford Jt. 1 Families,

I understand that this has been a challenging time as you eagerly await more information about what the school year will look like this fall. Please know that our team has been working around the clock to prepare this plan in a way that accommodates and meets the needs of all learners.

On Tuesday, July 21, the HJT1 School Board voted unanimously to approve a 2020-21 School Year Plan proposal. Additionally, our HJT1 Steering Committee, made up of two Board members, staff and several parents, all support this plan.

Today, I am happy to share the **“Reopening Our Schools”** plan with you. Please review this plan in its entirety, along with the supporting videos and Frequently Asked Questions (FAQs) which provide more details. All information is also found on the District website at <https://www.hjt1.org/district-office/reopening-our-schools>.

This week you will receive specific directions on how to select one of the Instructional Models for each of your children in the District for the 2020-21 school year. Due to the complexity of the programming involved in offering multiple options, selections will need to be completed promptly.

I understand that there may be questions as you review this document and other informational materials. This is a fluid process as we learn more about this disease. There will be live sessions next week in a Reopening Family Forum to hear about the plan and ask questions.
