Focus group members were placed into three teams to review and discuss data and priorities. Each team shared their discussion with the whole group.

Meeting was adjourned at 3:00 PM.

The Survey-Community Engagement Committee meeting was called to order at 1:00 PM on **Thursday, August 11, 2022** at the District Office Administration building.

Roll Call – Present: Erin Wilk, Cheryl Simonson, communication consultants, administrators and ten guests.

Education priorities were identified by the full group: reading intervention or grades 4-5, K-8 math intervention support, EL support, extended learning opportunities for reading and math, support for at-risk students, and summer school curriculum.

A discussion of which educational priorities were and were not addressed in the current ESSER Fund plan were identified. Ideas were shared by stakeholders in how to best address the priorities to reallocate these funds. The committee will take a recommendation to the full Board for the reallocation of \$526,668.92 in ESSER funds.

Meeting was adjourned at 3:04 PM.

Respectfully submitted,

Erin Wilk, Committee Co-Chair

Cheryl Simonson, Director of Curriculum & Instruction
